

**2021 Alpine Adventures North American Ski Adventure
Mammoth Mountain, California
February 1 - 5, 2021**

Join Alpine Adventures as we experience great skiing at awesome Mammoth Mountain on the majestic eastern slopes of the Sierra! One of the most requested resorts by our members, Mammoth Mountain Ski Resort is recognized internationally as a premier ski destination. Mammoth's terrain is legendary and has always been revered as among the best in California.

This is a great time to enjoy this huge resort. Early February weather patterns usually guarantee fantastic slope conditions. With a high elevation (11,053 feet!), Mammoth offers over 3,000 feet of vertical on thousands of skiable acres! World famous bowls, gentle groomed trails, steep chutes, secluded tree runs, and plenty of sunshine all add up to a great experience for experts, intermediates, and even beginners. Skiing for everyone? Yes!

After a great day on the hill you'll love relaxing in your own condo or hotel room at the beautiful Mammoth Mountain Inn. Just a short walk to the lifts the Inn offers both hotel rooms and 1 and 2 bedroom condominiums. A spa and pool are on site to relax in then enjoy the evening and dinner at one of the many delightful restaurants and après ski locations in town. This is a wonderful place to be!

Our itinerary is a slightly shorter trip than our normal week long North American trips, but is planned to give you the maximum time at the resort. For this trip transportation is not provided to or from Mammoth. Depending on your location you can choose to fly or drive. Check-in at the Inn is 4PM so you can arrive anytime on Monday and get in a good day of skiing. Depart for home after skiing on Friday. Altogether, a good 4 ½ to 5 days of great skiing at a value price.

The Important Fine Print & Trip Cancellation Information
Mammoth, California Adventure - February 1 - 5, 2021

Fees, rates, and specifications are subject to change. We are not responsible for typographical errors. Prices quoted are per person, based upon special rates negotiated with our travel suppliers. Space and rates are subject to availability at the time of booking and subject to change until space is confirmed. Prices quoted for Mammoth are based upon a group size of 10 or more people registered by September 21, 2020. Should the group size decrease below 10 people Alpine Adventures and/or Ski Europe may choose to cancel that segment or, after discussion and agreement with each participant, continue the trip with a rate adjustment.

Rates include all fees for payment processing. A discount is applied to your trip fee if paying by cash or check. The final occupancy of a lodging unit determines the rate per person. Please note that single rooms may be smaller than double rooms. Your balance is due on November 5, 2020, and will be based on the group size, rooming arrangements at that time (excluding fees guaranteed by early deposit). A late fee of \$75 will be imposed for balance payments not received by November 5, 2020. Adjustments to your balance caused by changes in rooming arrangements, or group size, may occur after November 5, 2020, and will be credited back, or due before departure.

Nobody wants to cancel from a trip, but sometimes circumstances arise that can keep you from traveling. If you must cancel from this trip, the following fees will be imposed:

Unless superseded by the terms of Priority Reservation or the COVID Supplemental Terms, your deposit, less a \$50 administrative fee and \$50 fee imposed by our tour suppliers (total \$100), is refundable if written notice of cancellation is received before September 21, 2020.

For cancellations received:

124 (9/30/20) to 110 days before departure the fee is \$100 or 15% of the trip fee whichever is greater.

109 (10/15/19) to 70 days before departure the fee is \$200 or 50% of the trip fee whichever is greater.

From 69 (11/24/19) days or less before departure and "No Shows", no refund will be given.

Additional charges will be imposed by the various lodging, (including fees incurred due to the reduction of people in a specified lodging unit, and upgrade fees) resort, and transportation vendors, and are not included in the above fees. Be aware that refunds from vendors (when given) are slow and usually take 90 to 120 days, but in some cases may take as many as 180 days or more. There are no refunds for unused portions or services. All cancellations must be in writing and delivered to the Alpine Adventures office. The date of receipt in the Alpine Adventures office determines the effective date of cancellation. If submitting cancellation electronically, notice of cancellation is not valid until a confirmation of receipt is delivered to the sender. **Trip cancellation insurance is available and strongly recommended.**

Tour Supplier - Most of the travel arrangements and lodging reservations for this trip are made through the same organization we use for the majority of our trips, Ski Europe/Alpine Adventures INC, FL.
