Special COVID-19 Statement from Director Dave Ross

Currently Switzerland, Portugal, and France allow travel into their countries. I have faith that in March we will travel to Europe and, if necessary, adapt to any requirements allowing us to enjoy the wonderful skiing, sightseeing and culture that awaits. Our travel partners and suppliers are working together to ensure the best possible experience and if circumstances arise due to COVID-19 preventing us from completing a portion of our trip or having to cancel the trip in its entirety, refunds and/or credits will be issued. The flight tickets are non-refundable after ticketing, but airlines may implement special rules at that time (refunds or future trip credits). Our travel partner, Ski Europe, will not issue the air tickets until after November 3, 2021.

Fees, rates, and specifications are subject to change. Alpine Adventures is not responsible for typographical errors. Prices quoted are per person, based upon special rates negotiated with the airlines and other suppliers. Space and rates are subject to availability at the time of booking and subject to change until space is confirmed. The air tickets issued are individual, group, or both, restricted economy class, non-refundable, require a fare guarantee deposit (included in your first deposit), and advance purchase. Prices quoted for Europe are based upon a group size of 10 or more people registered by August 31, 2021. Should the group size increase above 15 people a rate reduction of \$95 will occur. Should the group size increase above 21 people a rate reduction of approximately \$195 will occur. Should the group size decrease below 10 people for any segment Alpine Adventures and/or Ski Europe may choose to cancel that segment or, after discussion and agreement with each participant, continue the trip with a rate adjustment.

The current total fee for US and foreign departure taxes, security fees, fuel surcharges, and passenger facility charges (Airport taxes and fees) is included in the trip fee. This fee is subject to change. Other fees that may be imposed by the airlines or other authorized agencies are not included. Rates are based on the Swiss franc and Euro exchange on July 27, 2021, and are subject to adjustment should an increase of 1.25% or greater occur. Rates include all fees for payment processing. A discount is applied to your trip fee if all payments are made by cash or check.

The final occupancy of a lodging unit determines the rate per person. Please note that single rooms are usually smaller than double rooms. **A payment of \$2000 or 50% of your total trip fee is due by October 20, 2021 Your balance is due on December 8, 2021**, and will be based on the group size, rooming arrangements, and exchange rate at that time (excluding fees guaranteed by Priority Reservation). A late fee of \$150 will be imposed and all airline tickets reserved in your name will be subject to cancellation for balance payments not received by December 8, 2021. Adjustments to your balance caused by changes in the airport fees, exchange rate, rooming arrangements, or group size, may occur after December 8, 2021, and will be credited back, or due, before departure.

Nobody wants to cancel from a trip, but sometimes circumstances arise that can keep you from traveling.

If you must cancel from this trip, the following fees will be imposed:

Unless superseded by the terms of Priority Reservation or COVID Supplemental Terms, your deposit, less a \$75 administrative fee and \$150 fee imposed by our tour suppliers (total \$225), plus any non-refundable portion of airline tickets, is refundable if written notice of cancellation is received before September 21, 2021.

For all cancellations, including Priority Reservation, received:

163 (9/21/21) to 122 days before departure the fee is \$500 or 15% of the trip fee whichever is greater.

121 (11/2/21) to 70 days before departure the fee is \$1950 or 50% of the trip fee whichever is greater.

From 69 (12/24/20) days or less before departure and "No Shows", no refund will be given.

Additional charges will be imposed by the various lodging, (including fees incurred due to the reduction of people in a specified lodging unit, and upgrade fees) resort, and transportation vendors, and are not included in the above fees. Be aware that refunds from vendors (when given) are slow and usually take 90 to 120 days, but in some cases may take as much as 180 days or more. There are no refunds for unused portions or services. All cancellations must be in writing and delivered to the Alpine Adventures office. The date of receipt in the Alpine Adventures office determines the effective date of cancellation. If submitting cancellation electronically, notice of cancellation is not valid until a confirmation of receipt is delivered to the sender. **Trip insurance is available and strongly recommended.**
