## 2022 Priority Registration

Now is the time to take advantage of Priority Registration for the 2022 season Winterset Wednesday bus program. Our projected start date is early January 2022. The projected resorts are (subject to resort availability and restrictions): Alpine, Heavenly, Kirkwood, Northstar, Palisades, Sierra, and Sugar. The resort selection and schedule should be available by mid to late November.

For the health and safety of all our participants there will be some changes to the way the program will operate. Initially the buses will operate at 50% of normal capacity and we will require proof of vaccination. As new information becomes available there may be other changes.

Just complete the information below and return this entire form with a \$100 deposit to the office by November 30, 2021. The few moments you take now will bring you peace of mind while others are scrambling for the remaining seats.
