A Special Note from Director Dave Ross:

The pandemic continues to impact the ski resorts, our staffing, and operations. As a result, a few features of our bus trips have changed for the foreseeable future. To comply with changing ski area policies, reduce costs, and ensure our buses can run safely, we have reduced trip dates and locations, eliminated the hot beverage service, and variable ticket pricing. As always, safety is our number one priority. It's unclear what CDC guidance will be this season, but for now all riders will be required to be vaccinated. We will also operate at reduced bus capacity (about 60%) and masks may be required during the trip.

The fine print: If you must cancel, trip fees are refundable, less \$25 per trip for cancellations received up to 7 days prior to the trip. Cancellations received within 7 days prior to the trip will receive a refund credit for the trip fee less \$75, good for one year, towards a future trip. There are no refunds or credits for cancellations received within 36 hours of the trip.

I have read and understand the fine print. X _____
