Fees, rates, and specifications are subject to change. Alpine Adventures is not responsible for typographical errors. Prices quoted are per person. Space and rates are subject to availability at the time of booking and subject to change until space is confirmed. Air tickets are not included. For airline tickets purchased from Alpine Adventures FL, Alpine Adventures LLC CA acts only as a facilitator, and is not responsible, nor accepts any liability, for any and all services or actions associated with said tickets. It is the participants responsibility to secure transportation and arrive in time to participate in the Safari. Plan your itinerary to arrive in Kenya on or before May 16. Prices quoted for Kenya are based upon a group size of 7 or more people. Should the group size decrease below 7 people for any segment Alpine Adventures and/or Cat's Simba Safaris may choose to cancel that segment, or after discussion and agreement with each participant, continue the trip with a rate adjustment. Price or services cannot be guaranteed in the event of any change in government policy (such as a tax applicable to tourism activities, as occurred in September 2013), changes in park/conservancy entry fees decided by the relevant authorities (park administration, county councils, community or private conservancies), medical emergencies, or force majeure.

Rates include all fees for payment processing. A discount is applied to your trip fee if all payments are made by cash or check.

The final occupancy of a lodging unit determines the rate per person. Please note that single rooms are usually smaller than double rooms and are very limited. **An initial payment of \$3000 is due with your reservation request. Your balance is due on January 15, 2024,** and will be based on the group size, and rooming arrangements at that time. A late fee of \$150 will be imposed and all lodging and services reserved in your name will be subject to cancellation for balance payments not received by January 15, 2024, Adjustments to your balance caused by changes in rooming arrangements, or group size, may occur after January 15, 2024, and will be credited back, or due, before departure.

In the event of a travel or medical emergency or situation during the tour, the participant is solely responsible for any and all costs associated with the emergency or situation. This includes but is not limited to accommodation and travel expenses, medical treatment, transportation, hospitalization, surgery, medication, and any other expenses that may arise. As a participant, it is important to ensure that you have adequate means, or travel insurance coverage, to cover any unforeseen situations or emergencies. **We highly recommend that you purchase travel insurance before embarking on the tour.**

Name Changes - The name supplied must match the legal name on the traveler's passport. Changes may incur penalties, which we must pass on to the traveler. Any name change requests must be submitted in writing to our office.

Tour Supplier - Most of the travel arrangements and lodging reservations for this trip are made by Cat's Simba Safaris and Discover Kenya Safaris. Some travel arrangements may be made through the same organization we use for the majority of our European and North America trips, Ski Europe/Alpine Adventures FL.
