Fees, rates, and specifications are subject to change. Alpine Adventures is not responsible for typographical errors. Prices quoted are per person. Space and rates are subject to availability at the time of booking and subject to change until space is confirmed.

Prices quoted for Europe are based upon a group size of 12 or more people registered by September 30 2024. Should the group size decrease below 12 people for any segment Alpine Adventures may choose to cancel that segment, or after discussion and agreement with each participant, continue the trip with a rate adjustment. Price or services cannot be guaranteed in the event of any change in government policy, medical emergencies, or force majeure.

The final occupancy of a lodging unit determines the rate per person. Please note that single rooms are usually smaller than double rooms and are very limited. **An initial payment of \$3000 is due by October 31, 2024. Your balance is due on November 23, 2024** and will be based on the group size, and rooming arrangements at that time. A late fee of \$150 will be imposed and all lodging and services reserved in your name will be subject to cancellation for balance payments not received by November 23, 2024. Adjustments to your balance caused by changes in rooming arrangements, or group size, may occur after November 23, 2024 and will be credited back, or due, before departure. Rates include all fees for payment processing. A discount is applied to your trip fee if all payments are made by cash or check.

Air tickets that are included are purchased from Ski Europe/Alpine Adventures FL. Alpine Adventures LLC CA acts only as a facilitator, and is not responsible, nor accepts any liability, for any and all services or actions associated with said tickets. The air travel provided includes the use of special airfares which may have different restrictions than normally published fares. Ski Europe/Alpine Adventures FL. often selects airfares which require advance purchase of tickets which similarly have additional restrictions and are non-refundable. Consequently, after reservations are confirmed, and even before the ticket is issued, changes to your air tickets usually involve penalties, which may equal the entire value of the ticket. In all cases, Alpine Adventures and you must abide by the airline restrictions and penalties. Please note, that once the ticket is issued, it is non-changeable and non-refundable. For participants providing their own transportation, it is the participants responsibility to arrive in time to participate with the group.

In the event of a personal travel or medical emergency, illness, or other personal deviation/situation during the trip, you are solely responsible for any and all costs associated with the emergency or deviation/situation. This includes but is not limited to accommodation and travel expenses, medical treatment, transportation, hospitalization, surgery, medication, and any other expenses that may arise. As a participant, it is important to ensure that you have adequate means, or travel insurance coverage, to cover any unforeseen situations or emergencies. **We highly recommend that you purchase travel insurance before embarking on the trip.**

Alpine Adventures and its suppliers may require liability, medical, and other releases to be acknowledged, accepted, and signed by you in order to participate in any or all trip services.

Name Changes - The name supplied must match the legal name on the traveler's passport. Changes may incur penalties, which we must pass on to the traveler. Any name change requests must be submitted in writing to our office.

During your trip, when a member of Alpine Adventures staff accompanies or meets you, the staff person's responsibility is limited to verifying that the travel components are carried out by the independent hotels and transfer, and other companies under contract with Alpine Adventures. At times, an Alpine Adventures staff member may participate in winter sports or other activities with you. The staff person does so as an additional group participant and not as an instructor or guide. You acknowledge and agree that if a staff person engages in any activity, selects terrain, or otherwise makes any decision regarding an activity, that this action does not indicate that said terrain or activity is suitable for you. You are responsible for your own actions and decisions when engaging in any activity or terrain and will exercise your own judgment based on your physical ability, weather and general conditions, and the nature of the activity.

Trip Supplier - Most of the travel arrangements and lodging reservations for this trip are made by the same organization we use for the majority of our European and North America trips, Ski Europe/Alpine Adventures FL.

Please note that trip deposit requirements, payment schedules, trip fees, and fees for cancelling a trip by travel suppliers have increased dramatically since the start of COVID. Trip insurance is available and strongly recommended.

Nobody wants to cancel from a trip, but sometimes circumstances arise that can keep you from traveling. If you must cancel from this trip our goal is to ensure you feel supported and informed throughout the cancellation experience.

For all cancellations received the following fees will be imposed:

170 (9/8/2024) to 121 days before Feb. 26, 2025, the fee is \$950 or 50% of the trip fee whichever is greater.

120 (10/28/2024) to 91 days before Feb. 26, 2025 the fee is \$4125 or 75% of the trip fee whichever is greater.

90 (11/27/2024) days or less before Feb. 26, 2025, and "No Shows", no refund will be given.

Regardless of date, once ticketed, air fare is non-refundable.

A \$75 administrative fee will be added to the above fee amounts. Additional charges may be imposed by the various lodging, (including fees incurred due to the reduction of people in a specified lodging unit, and upgrade fees) resort, and transportation vendors, and are not included in the above fees. Be aware that refunds from vendors (when given) are slow and usually take 90 to 120 days, but in some cases may take as much as 180 days or more. There are no refunds for unused portions or services. All cancellations must be in writing and delivered to the Alpine Adventures office. The date of receipt in the Alpine Adventures office determines the effective date of cancellation. In all cases, notice of cancellation is not valid until a confirmation of receipt is delivered to the sender.

I have read, understand, and agree with the terms and conditions stated in page 1 and 2 of this Important Fine Print.
